Permit Amendment Public Notice

Mark & Rene Ray, OCRM-14-015-D

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

LOCATION: On and adjacent to Ashley River at 320 Shaftesbury Lane, King's Grant, Summerville, Dorchester County, South Carolina.
TMS: 162-13-03-015.

WORK: The permittee seeks an amendment to the previously issued permit. Specifically, the permittee seeks to change the previously permitted structure. The new configuration will consist of a 3' 45' walkway, with handrails leading to a 10' x 10' pierhead. Floodside of the pierhead, a 3' x 20' ramp will access an 8' x 15' floating dock. Ebbside of the pierhead, a 12' x 12', four-pile boatlift is proposed. The amendment is a modification to a private, recreational dock.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.
